Subject: RE: 5th International One Health Congress: Scientific Programme Committee telephone
conference

Dear David,

I am very honored to be considered for the Scientific Programme Committee of this very important event, which will be held in our Region.

I will be delighted to contribute to its development and hopefully to attend the meeting.

The teleconference of 20 July is on my agenda and I look forward to receiving your instructions regarding the technical/communication details (please note we could provide Skype/Webex facility).

Best regards,

Ottorino

Subject: 5th International One Health Congress: Scientific Programme Committee telephone conference

Dear Scientific Programme Committee members,

It is now time to build on the fruitful meeting we have had during the OHEH16 congress in Melbourne, and it is hence my pleasure to announce that the next Scientific Programme Committee telephone conference will be held on 20 July 2017, from 17:00 to 18:00h CET (9:00 - 10:00 CST; 23:00 - 24:00 AWST). I will provide you with a meeting agenda, preparatory documents and toll free dial in details closer to the date, but the main objective of this meeting will be to discuss and finalize the programme schedule (topics and chairs) of the One Health Science programme track. May I ask to let me know whether you intend to participate in this call at your earliest convenience and to mark your calendars accordingly?

A list of Scientific Programme committee members is attached for your information.

Best regards,

David De Pooter
